

Time does fly when you're having fun (and staying busy).

We're proud to say it's been a great first year for **Cornerstone Earth Group**. Since opening our doors, we've acquired 151 clients and performed over 400 projects. Plus we're still growing and now have a staff of 21 employees. Most of all, we'd like to take this occasion to thank all who have supported us during our first year.
