

## We've Planted New Roots in the East Bay.

**Cornerstone Earth Group** is growing! We are excited to announce the opening of our new Walnut Creek office managed by Principals Peter Langtry and John Dye. Our new location will allow us to focus on North and East Bay projects in addition to expanding our regional service in the Bay Area. Pete and John will continue to provide exceptional service and value-added solutions for private and public sector clients. We invite you to stop by and see our new home.
